Kaushik Enterprises

We have great pleasure in introducing that we deals in **PNEUMATIC PRESS SPARE PARTS** :

We are supplying clutch and brake liners (friction segment) to the users of Kaushico, Ameteeep, Emco Pressmaster, Narendra, Godrej, HMT, ISGEC & SEW presses. Beside we are also supplying specific sizes for specific requirement for imported machines like Erfurt, forging industry & sheet metal industry. We are also supplying blocks commonly known as Gutka upto 60mm of thickness to various customers in forging indutry & sheet metal industry. These liners are not only used in the presses but also used in cranes, fork lifts & electric motors.

Industrial Brake Block

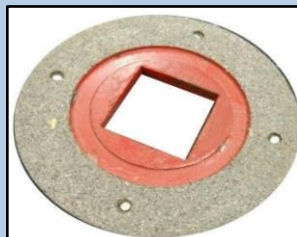

Industrial Forging Press Blocks (Brake)

Industrial Brake Linings
